

Report of Completed SMBT Requirements

Student's name _____

enrolled in the Masters of Science in Building Technology program on _____. This information is to be added to the student's Departmental and Institute records as appropriate. Please forward a copy of this form to Cynthia Stewart in 7-337 upon completion of each requirement.

Thesis Proposal

The thesis proposal is to be completed by the end of the first regular term of registration. It is usually a product of 4.481, Building Technology Seminar. The student may not register for 4.ThG until the thesis proposal has been approved.

Title of proposal _____

Date approved _____

Print name

Advisor _____

Readers are optional; please list name and title

Major Field

At least two graduate-level subjects must be taken in a coherent field. Please list the subject number and semester completed.

Field of Major _____

Term completed	Subject number and name	Units	H or G level	Grade
_____	_____	_____	_____	_____
_____	_____	_____	_____	_____

BT faculty advisor (or Sectionhead) _____

Minor Field

At least one subject must be taken in a coherent field different from the major. Please list the subjects that constitutes the student's Minor.

Field of Minor _____

Date	Subject number and name	Grade
------	-------------------------	-------

BT faculty advisor (or Sectionhead) _____

Additional Subjects

Required subjects include 4.481, Building Technology Seminar, and applied math (typically 18.085). Minimum requirement is 66 credit units; this includes major, minor and required subjects, but does not include thesis (4.THG).

Term completed	Subject number and name	Units	H or G level	Grade
----------------	-------------------------	-------	--------------	-------

_____ 4.481, Building Technology Seminar _____

_____ 18.085, Mathematical Methods for Engineers I
(or approved substitute) _____
