 - Media archaeology

Professional Experience

- 2022 **MIT Department of Architecture**
Teaching Assistant
- Teaching Assistant for 4.022 Thinking Through Making - assisted instructor in teaching, critique, fabrication and administration
- 2021 **KPMB Architects**
Summer Intern (3 mo.)
Reference: Taewook Eum
teum@kmpbarchitects.com
- Worked as summer intern on commercial/residential project in Maryland
 - Assisted with facade studies, building massing and program for pre-fabricated/parametric brick workflow
 - Worked closely and independently with client and other architectural firms
 - Produced drawings, renderings and diagrammatic studies in fast-paced and high-pressure environment
- 2020 **ST Raum a. Landschaftsarchitekten**
Intern (5 mo.)
Reference: Jérôme Duréault
dureault@strauma.com
- Worked as intern on small, creative team for landscape architecture firm
 - Thrived in a fast-paced and unfamiliar environment
 - Assisted in multiple phases on 5 projects
 - Led design proposal for development for Volkswagen in a small invite-only competition
 - Took on urban planning/schematic architectural work for competition entries
 - Worked closely with clients and architects
- 2019 **Quadrangle Architects Ltd**
Co-op Student (4 mo.)
Reference: Melanie Rank
m.rank@quadrangle.ca
- Worked in feasibility and on projects directly under a principal
 - Assisted in multiple phases on a number of projects, including planning, schematic design and design development
 - Collaborated on preliminary plans, diagrams, masterplans, working drawings and presentations
 - Worked on a range of assignments from sprawling urban masterplans, to conceptual development for an 85-storey condominium, to small details in facade finishes
- 2018 **Izen Architecture**
Summer Intern (3 mo.)
Reference: Brenda Izen
brenda@izenarch.ca
- Gained experience in schematic design, construction drawings, client relationships, marketing, rendering and other graphic work, administration, sourcing of materials
 - Led two competition projects in high-pressure environment
 - Took on a client project of my own near the end of my internship

Other Experience

Opa Opus Art Exhibition, 2019

My responsibilities included the creation of a catalogue; design of the space including lighting and layout; and coordination of the opening reception. This event honed my design and organizational skills.

U of T Sailing Team President

- Served as vice president and president (2016-2019)
- Managed executive team, delegated tasks for competitive team, oversaw recreational club
- Administered team within two international circuits and within university
- Successfully restructured team from insider club to accessible and affordable club
- Brought sport to over 120 students per year

Film Photography

Since the age of 10, I have been shooting and developing film, shaping my perception of depth, time and materiality.
